NAUTILUS

'The foure elementes menace alle men that thanke not God.' 1483 *Carton, Cato*

Published by

THE ASSOCIATED STUDENT BODY, GRAYS HARBOR COLLEGE, ABERDEEN, WASHINGTON

DEDICATION

He is wise who can
instruct us and assist us in the
business of daily
virtuous living.

Carlyle

Like Carlyle's 'wise men', both Miss Irene Campbell and Miss Anne Holey have devoted many hours of their lives in 'instructing us' and 'assisting us'.

Miss Campbell, in her secretarial science classes, has fulfilled her love of doing secretarial work and teaching at the same time. After her graduation from Wisconsin State Teachers' College and the University of Iowa, where she received her B.A. and M.A. respectively, she began teaching in high schools and junior colleges. Because of her demand for perfection, she has always inspired her students to do superior work. Her efficiency and willingness to help has made her admired and loved by all.

Miss Holey's love of her subject, English grammar and literature, is shown in the time, the thought, the care, and the interest that she puts into all her classes. Her love of students is evident in Tyee, a girls' service club which she advises. A graduate of Concordia College and Northwestern University, Miss Holey taught at Skagit Valley College and other schools before coming to Grays Harbor. Her fairness and sense of responsibility toward her students make her a very popular teacher.

To Miss Campbell and Miss Holey, with admiration, praise, and affection, we dedicate this 1962 Nautilus.

MAY

- 3-4 Spring Day - Delta Psi Omega
- 5 Engineer's Club Dance
- 13 AWS Mother's Day Tea
- 16 Award Assembly
- 26 Hiking Club Banquet
- 30 Memorial Day

JUNE

- 5-7 Final Examinations
- 8 End of Spring Term
- 8 Commencement

ADMINISTRATION AND FACULTY

This page sponsored by Weyerhaeuser Company

STUDENTS AND FACULTY OF GRAYS HARBOR COLLEGE

I am pleased to have this opportunity to express greetings and good wishes in your 1962 Nautilus.

Our College had an unprecedented increase in enrollment of 30 per cent during the past year, and the anticipated increase in future years looks favorable to the growth and development of the College. Our College was built for 450 students and our fall enrollment in 1961 was 722. These facts make the construction of new facilities a necessity for our school. I am pleased to report that plans are underway to construct the following additions to the College:

A new library building

A new classroom building housing 10 classrooms

An addition of a new biology laboratory

Additions to the Administrative — Music building for both administrative and music facilities

Addition to the Hillier Union Building

Addition to the physical education facilities

Remodeling of the science building to provide an additional chemistry laboratory

Remodeling of the present library to provide 3 classrooms, including an engineering laboratory

I offer my congratulations to the graduating sophomores, and my best wishes to the freshmen. I look forward to seeing many of your freshmen back at Grays Harbor College next year.

I would like personally to thank the faculty and students for their wonderful cooperation during the school year. Also, I offer my sincere congratulations to the annual staff for an excellent job on the yearbook.
