If you score in Transitions classes, please call the Transitions Office (538-4167) for further testing. Please be aware that Financial Aid will not pay for Transitions classes. The placements that are in **bold** represent College Level placements.

CPT Study Resources

Grays Harbor College strongly recommends preparation before taking or retaking the College Placement Test (CPT). There are many resources on the internet that will help you prepare for the CPT. Research shows that people who take at least two weeks to study before retaking the CPT do better than those who retake the CPT right away.

Resources for Sentence Skills and Reading Comprehension:

<http://www.englishforeveryone.org> <https://www.ghc.edu/admissions/placement/prepare>

<https://www.ghc.edu/instruction/learning-center/learning-links>

Resources for MATH:

GHC Online Math Brush Ups: <https://www.ghc.edu/instruction/learning-center/math-brush-ups>

Free Study Apps
