VI. Reports –

1. KENNY YOUNGBLOOD, Supreme Emperor Xenoid: dearly **Redacted** you are **Expletive deleted** here today in the name of robotology to electify our new club people that are in charge for today. Also I need to make a comic sans macro for word.

2. Chloe Converse, Card Queen: Hail to the queen. Also we need to make our posters for next year ourselves.

3. Tim Preston, Slave to the Monies: not letting Kenny do the minutes is usually a good call. Do not be too proud of this technical monstrosity you’ve created. The power to gather nerds is insignificant when compared to the dark side of the force. \*tims in labor\* I object!

4. Ronan Murphy, Game-Master: ~~I need more bacon. I have enough bacon.~~ I need more bacon! Also I’m absent.

5. Lucas Metcalf, Club Crier: I miss my report from last week, where did it go? Why doesn’t a Star Wars character quote star wars? You’d think they know all the lines. Shirts should be in by next Monday. The gaming cart needs to be repaired. Also we need to make a poster explaining the rules for the game locker stating we’re not giving them away. Also it turns out we can have music for our events. Still can’t have movies.

6. Ethereal Adhesive’s report: Absent.
